

Foundations in Management Course

This course provides understanding on how to:

- Distinguish management and leadership approaches
- Recognize the skills and characteristics of leaders
- Apply different leadership styles
- Create an inspiring vision and align people to achieve it
- Discover what motivates people in your team and how to foster an inspiring work environment
- Learn techniques for building your team and dealing with problem employees

This seminar is designed for managers who want to enhance their essential management skills - middle managers, newly promoted, supervisors and new managers.

Lecturer

Tim Kemp – Tim is a Fellow of the Chartered Management Institute and a Member of the European Coaching and Mentoring Council.

Leading People Effectively Course

This course will explore the changing role of team and organizational leadership and identify the skills leaders need in order to make a real contribution to the direction and culture of their organizations.

We will focus on:

- 3 things that leaders should be doing to help their teams and organizations face the future effectively
- 3 things that followers need from leaders
- The language of leadership.

This seminar is suitable for experienced managers and team leaders who desire to be inspirational and mindful leaders.
